EDGR Ticker Check

New feature on www.edgr.io to check stock ownership in funds tracked by EDGR

We are always evolving and think on how to deliver relevant stock information to our users.

As a result, we've just released a new feature on www.edgr.io called "Ticker Check".

Enter stock ticker and see which funds in EDGR database have reported owning this stock:

Enter Ticker

Click to get the data...

* MV (\$MM) - Market Value in millions \$. Market Value as of last reporting period.

** % Change - % change in Market Value since the last reporting period.

*** EDGR Fund Score - Composite Fund Score based on multi-factor quantitative model.

Enter any stock ticker and see which funds in EDGR database hold the stock. For example, enter TSLA for Tesla Inc., and get back which fund reported owning TSLA during last reporting period, \$ market value (MV) reported, % change since the last reporting period (positive % for the increase in ownership, negative % for the decrease in ownership), fund's website address, and EDGR Fund Score .

| Fund Name | MV (\$MM)* | % Change** | Website | EDGR Fund Score*** |
